

## The conservation fund of the Dutch Zoo Association

---

### **Project conditions**

- No funds will be made available without the signature and receipt of the Dutch Zoo Conservation Fund grant agreement. The DZCF grant agreement will be made available after approval of the project application.
- Financial support is granted on the understanding that the project is carried out in accordance with the submitted project application.
- Divergences relating to the submitted project application must be approved of by the board of the Dutch Zoo Conservation Fund
- The recipient is committed to acknowledge DZCF support in the respective project communications as well as in relating continuing follow-up projects
- Possible follow-up project applications must be submitted to the DZCF
- Within a year after the project approval the recipient submits a progress report
- The recipient submits pictures and/or videos about the project including images of the respective species. This material will be posted on [www.nnbf.nl](http://www.nnbf.nl), for educational and promotional purposes. Pictures and video's can be send to: [info@nnbf.nl](mailto:info@nnbf.nl).

### **Project review procedure**

- Project applications, in Dutch or English, are submitted through: [info@nnbf.nl](mailto:info@nnbf.nl).
- The board of the Dutch Zoo Conservation Fund meets four times a year to review applications, and to evaluate running projects (consult website for scheduled dates).
- During the review process an independent advisory board might be consulted
- Applicants will be notified about the result by e-mail
